

## EAGLE

- Comfortable adjustable temples
- Brow protector keeps dust and dirt away from eyes
- Air vent temples provide for ventilation and reduce fogging

SIZE	56 11	59 13
A	56	59
B	42.5	45.5
ED	61.5	64.5
DBL	11	13

### EAGLE FLIP-UP LENS OPTIONS

#### GREEN SHADE 3.0 AND 5.0

- For use in any environment where there is heat
- Good for metal-making, furnace work, trash incineration and open flames and in the lighter shade, as a welder's helper
- Protects against glare, ultraviolet and infrared radiations

#### COBALT BLUE

- Glass lenses
- Excellent absorber of yellow light
- Good for metal-making applications that produce an abundant amount of bright visible and yellow light
- Warning: Blue lenses are poor absorbers of IR and should be worn for short periods of IR exposure, or with additional IR protection

**TEMPLE TIP**  
Will convert to a cable temple
