Glass Mfg.	1272	754	59%
Electrical	90	22	24%
Porcelain Mfg.	146	42	48%
Petroleum Processing	50	24	48%
Pharmaceuticals	68	15	22%
Micro Processing	722	420	58%
Food Processing	100	50	50%
Forest Products	686	322	47%
Quarry and Aggregates	450	220	49%
Public Utilities	<u>75</u>	<u>50</u>	<u>67%</u>
Totals	13755	5603	41%

41% of 13,755 workers could not meet the minimum vision requirements set by the Jobs Standards Act for visual performance.

The Jobs Standards Act establishes minimum visual standards for specific job classifications. Good visual acuity significantly increases an employee's ability to work safely and productively.
